BY REVIEW LEASED WIRE

NEW YORK, Aug. 30.—The railway labor situation was again the absorbing feature of today's market but prices suggested that Wall Street still had confidence that a strike will be prevented. Quotations were mainly, and in some instances, materially lower at the opening with complete recoveries and a few actual gains at midday.

Mercantile marine issues made new records, the common advancing 3 1/2 points to 43 1/2 with an equal gain for the preferred at 104 1/2. Combined dealings in marines amounted to about 172,000 shares, or 25 percent of the day's business.

A new maximum was established by Kelly Springfield Tire, which rose 1 1/2 to 77 1/2. Rails and United States Steel went lower by one to 2 1/2 points but recovered some of their losses when selling pressure relaxed. Munitions and related stocks closed at irregular declines. Total sales amounted to 650,000 shares.

Prevailing industrial prosperity was denoted by the restoration of American Locomotive common shares to their five percent dividend basis after eight years of suspended payments, and the reviews of trade authorities an undiminished inquiry for steel and iron products.

Rubies were again the sole feature of the dull foreign exchange market. Irregular changes were noted in the bond market with heavy trading in Anglo-French fives. Total sales par value, \$2,870,000. United States bonds unchanged on call.

### CHICAGO GRAIN MARKET.

CHICAGO, Aug. 30.—Wheat rallied today under the strain of active preparations for a general stoppage of railroad traffic and especially because of notice that an embargo against grain for the east and for Europe would begin to take effect on the principal lines within 48 hours. The market closed unstable, 4 1/2 to 4 3/4, not lower with September at 128 1/2, not lower with September at 128 1/2, not lower with September at 128 1/2. Corn finished 1/4 to 5/8 down and oats off 1/4 to 1/2 c. In provisions the outcome ranged from 2 1/2 c decline to a rise of 3/8 c.

Strike developments almost completely monopolized the attention of the wheat trade. Material declines at the opening were temporarily stayed by reports that President Wilson was attempting to arrange a postponement of the enforcement of the strike order, but the immediate price recovery that ensued gave way later when denials were forthcoming from officials of the railroad employees organizations that any change in the strike would be made unless the demands of the men were satisfied.

Corn held relatively steady, but reflected the action of wheat. Oats had no independence of their own. In the provision trade it was difficult at times without causing a sharp advance. As a rule however, bulges failed to hold. The uncertainty of the strike outlook formed the chief governing influences.

(By L. J. Overlock)  
BOSTON, Aug. 30.—The strike situation is the one dominating factor in the market and when settled prices will show up fast. There seems to be various opinions as to whether the strike will actually take place or not. Copper was inclined to be weak today. Traders offered them down and catching short orders. At the low levels there was supporting orders. Would only buy on quick drives until the strike controversy is settled. The copper should prove to be the best buy.

**FOR JUSTICE OF THE PEACE.**  
BISBEE.  
Edward G. Riley, Republican Candidate for Justice of the Peace, Bisbee Judicial Precinct Number Two, has been a resident of Arizona, for the past twenty four years. Prior to his sickness he followed the trade of painter and paper hanger but about nine years ago was stricken with paralysis since which time he has been unable to follow his chosen occupation, but has been dependent on any odd jobs obtainable in his unfortunate affliction. For two years, Mr. Riley served as Justice of the Peace in Jerome, Arizona, and this City is second only to Bisbee as a mining camp. Mr. Riley does not ask that you support him because he can no longer follow his trade but as he has lost the use of his physical strength to earn a livelihood and is thoroughly competent to do the duties of the office of Justice of the Peace and is always sober and can be relied upon. You will not make any mistake by voting for him.

You can also be assured that in case he is elected he will never do an injustice to any one but will always give all litigants before the Court a "square deal". He will not abuse and misuse his authority.

Mr. Riley has a family and has struggled the best he could during adversity. A vote for him for Justice of the Peace will be a vote for a "square deal". (193) A. D. MARKHAM.
